Disclaimer: *The Rockhoppers Fishing Tournament has been arranged for 2 days of competition and it is each individual's sole responsibility to determine that on any one day, the sea conditions and weather forecasts are safe for fishing off the rocks. It is the individual's responsibility to ensure their own safety requirements have been met and meeting local coast guard requirements. Participants in the Rockhoppers Fishing Tournament does not diminish each person's responsibility under maritime law nor shift any of the responsibility to the Bay Of Islands Swordfish Club (Inc) even if the event officials made the decision on the conditions of the day. It is also each individual's responsibility to ensure that the organisers of this tournament are aware of their destination at any given time during the tournament and also informed on both days of your arrival back at home safely.*
