

# BOISC OPUA

## Sponsorship Proposal

A unique opportunity to assist with the development and completion of the Bay of Islands Swordfish Club's new Opua Club facilities

[www.swordfish.co.nz](http://www.swordfish.co.nz)

# Introduction

Your executive is proud to present to you a unique opportunity to assist with the development and completion of our new Opua Club facilities, which will provide an exciting range of services and opportunities for our Club, the local community and the general public.

We would be most grateful for your consideration of our sponsorship options to assist with the fit-out requirements and to secure your name in the Clubs' legacy.

There are a number of sponsorship options which are detailed further in this proposal. These include:

- Naming Rights Sponsor
- Life Memberships
- Life Memberships with additional sponsorship
- Other, tailored to suit you

We are most grateful for the companies who have agreed to support this to date:

- CMP Construction
- Douglas Pharmaceuticals Ltd
- Mainstream
- Super Freight
- Bluefix Boatworks

The Club will be commissioning artwork to display names of individuals or businesses who sponsor the building of the clubrooms. The vision is to create a group of fish resembling a school of baitfish (meatball), with marlin, tuna and gannets feeding on them. Each species, as stated above would have a different sponsorship level associated with it.

If you are interested in sponsoring the upcoming Opua Clubrooms please contact our office:

# BOISC Opuua Clubrooms

## The Bay of Islands' newest hub for fishing, tournaments, dining and community events

The new BOISC building is scheduled for completion in late 2025, at the Bay of Islands Marina in Port Opuua, the primary port of entry to New Zealand for yachties arriving in New Zealand from the Pacific. It is anticipated to become a popular destination for club members, local businesses, and the general public, with its convenience to the marina, as well as as a restaurant and bar.

Work is underway at the Opuua site with the first sod of dirt turned on Friday 14<sup>th</sup> February 2025. Around 60 members and associates gathered in Opuua to witness President Jeff Douglas, executive members Dave Wooff and Greg Morgan and member Murray

(Hammer) Hansen turn the first soil to start the build process of our new clubrooms.

A weigh station will be situated on the corner adjacent to the boat ramp providing easy accessibility for most boat sizes. This will be proudly supported by Bluefix Boatworks and NorthCape Boats.

# Sponsorship Options

We have multiple sponsorship options or we can look at customising something to suit your requirements

## Naming Rights Sponsor \$50,000

This is the top tier sponsorship with prominent display of your company's logo on the exterior or interior of the building.

We are most grateful for the companies who have agreed to support this to date:

- CMP Construction
- Douglas Pharmaceuticals Ltd
- Mainstream
- Super Freight

## Life Memberships

**\$6,500**

+ options to include additional sponsorship

As the Club has done in the past, we are raising capital for the construction of buildings through the offering of life memberships. The executive recognizes that there are those who want to support the Club and who are passionate about the Club. The objective is to raise money for the BOISC Opuia Clubroom construction. There will be 100 non-transferable life memberships available from \$6,500 each. All life memberships are GST inclusive.

At this stage, we are taking expressions of interest from existing members interested in purchasing a limited non-transferable life memberships:

The Club would acknowledge the purchase of life membership by putting their name on a bait fish. There would be the option of adding a sponsorship on top of this for other fish species.

- Purchase life membership and sponsorship of \$3,500 – total \$10,000 and name on a kingfish
- Purchase life membership and sponsorship of \$8,500 – total \$15,000 and name on a tuna or gannet
- Purchase life membership and sponsorship of \$13,500 – total \$20,000 and name on a marlin

## Other

If you want to support the Club but neither of these categories quite suit, contact us to discuss - [office@swordfish.co.nz](mailto:office@swordfish.co.nz)
